PETITION UNDER 37 C.F.R. § 1.182 REQUESTING
DUPLICATE LETTERS PATENT AND WAIVER OF FEES

MAIL STOP PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition the Commissioner for a Duplicate Letters Patent and a waiver of the petition fee. In support of this Petition, Applicants submit herewith:

Exhibit A – Change of Correspondence Address filed April 3, 2006;
Exhibit B – Change of Correspondence Address and Transmittal filed June 26, 2006; and
Exhibit C – A copy of the docketing sheet for Application Serial No. 10/510,024.

Applicants' attorney of record, Stephan A. Pendorf, never received the Issue Notification or the Letters Patent in the above-described application. As indicated in the image file wrapper, Applicants paid the issue fee and filed a change of address form on April 3, 2006 (see Exhibit A, printed from the PAIR database). The transaction history indicates that a correspondence address change was recorded on April 6, 2006 and again on April 12, 2006. The transaction history indicates that the issue notification was mailed May 31, 2006.

As evidence that the address change incorrectly entered, Applicants submit the second change of correspondence address filed on June 26, 2007 (Exhibit B) and the associated

Attorney Docket No.: 3968.123

transmittal letter. The transmittal letter states that "the Attorney/Agent Correspondence Information is not the address information associated with Applicant's customer number 30448." The second change of address was properly entered on July 3, 2006; however, the Issue Notification and Letters Patent were incorrectly mailed during the timeframe where the Attorney/Agent Correspondence Information was as follows:

A.J. Mims
14501 Elmhurst Circle
Huntington Beach, CA 92647 (see Exhibit B)

Mr. Pendorf has never practiced in California and has never had a California address associated with his customer number. As a result of the PTO's error, the Issue Notification and the Letter Patent were presumable sent to Mr. Mims, and were never received by Mr. Pendorf or Akerman Senterfitt, Mr. Pendorf's current employer. Accordingly, Applicants petition for a duplicate letters patent and waiver of the petition fee under 37 C.F.R. § 1.17(f).

Applicants' attorney of record, Stephan Pendorf attests that neither he nor the Akerman Senterfitt law firm, Mr. Pendorf's employer, ever received either the Issue Notification or the Letter Patent. Furthermore, Mr. Pendorf attests that a search of the file jacket and docket records indicate that neither of these Office communications were ever received.

A copy of the docket record where the non-received Recordation would appear had it been received is enclosed as Exhibit C. According to Akerman Senterfitt's docketing system, when an Issue Notification is received, two entries are added to the docket that read "Patent to Issue Today" and "Rec'd Letters Patent?" The Docketing Report shows that no such entry was made. Applicants submit this as additional evidence that the relevant correspondences from the USPTO were not received.

U.S. Patent Application No. 10/510,024
Petition under 37 C.F.R. 1.182

Attorney Docket No.: 3968.123

Accordingly, Applicants respectfully petition for a Duplicate Letters Patent. Applicants request a waiver of the petition fee due under 37 C.F.R. § 1.17 (f) because the error appears to have resulted when the USPTO mishandled the timely and correct Change of Correspondence Address form submitted April 4, 2006, by entering an Mr. Mims address rather than the address associated with Applicants customer number, 30448.

If the Petition for a waiver of the petition fee is not granted, the Commissioner is hereby authorized to charge the amount due to Deposit Account No. 50-0951. Although no fees are believed due, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 50-0951.
